After School Clubs

Could I please remind parents that next week is the last week of after school clubs.

Swimming Team Update

Following on from their fantastic performance at the Worsley swimming gala in June, the swimming team were in action again on Thursday afternoon this time representing Worsley in the Salford gala at Irlam Leisure Centre. After many years of competing at the gala, Broadoak are proud to announce we were crowned the overall Salford Swimming Gala winners. Mr. Tinker and myself are so proud of the team with all of their hard work throughout the last few weeks. As a school we would like to say a huge well done to the boys and girls who represented Broadoak at such a high standard. Hopefully, we can defend our title next year.

Early Years Transition Day

Today in school, we have welcomed our new Nursery and Reception children for visits. The children have spent time getting to know their new adults, plus exploring their new environments ahead of starting in September. Those visiting the Nursery will have noticed that the modular extension is still yet to be in place. Can I take this opportunity to reassure parents that the installation is running to schedule and we are expecting the modular building to be lifted onto site during the first week of the summer break.

Sponsored Event Update

Could I first begin by saying a huge thank you to all the Broadoak families and friends who have supported the school by sponsoring our children for taking part in the triathlon event. The total money raised from this event is an amazing £3,300. This now places us in a position of having £17,500 of funding towards our running track. With this, plus a percentage of next years Sports Premium funding, we are now in a position to move forward with installation. I am currently liaising with the provider regarding timescales, but hope to install at the earliest possible date during the Autumn Term. What a fantastic achievement everyone!

Dates for your Diary

25 th July	Y6 Leavers Disco 5:45pm - 8:15pm
26 th July	School Closes for Summer Break
4 th Sept	School Opens for Autumn Term

Trade Your Way - Y6 Business Enterprise Project

Over the past few weeks, Year Six have been working on their annual 'Trade your Way' business enterprise project. The children have worked together in groups to decide on an original business idea. With a budget of £10, each group has been responsible for the planning, organisation and financing at each stage of the process. They will promote and advertise their business ideas in a special assembly on Monday 16th July to the children in Key Stage One and Key Stage Two. The 'Trade Your Way' afternoon will take place on **Friday 20th July** and on this day we invite the children from Year One to Year Six to bring in a maximum of £2 to spend on the stalls. There will be lots of exciting purchases and games on offer on the day, including: hand painted 'Manchester Bee' pebbles, unique Fortnite colouring sheets, bookmarks and origami, football kick-up challenge, target challenge, glitter tattoos, beat the goalie, hair designs and many more! Some activities will require a consent form and these will be sent home as required. We hope that it will be a truly enjoyable afternoon for all of the children involved.
