

Dear all,

This week, all parents should have received their child's annual report. I would like to encourage parents and children to complete the reply slip and return to school ahead of the summer break.

Today has been a particularly busy day in school with our Year 6 children hosting their 'Trade Your Way' event. The hall has been very productive this afternoon with children offering a range of products. We have yet to add up the totals to find out which team have made the most profit, but will announce this to the children next week.

I would also like to say well done to all our talented musicians who performed amazingly in our Music Evening this week.

Finally, a big well done to our football team who took part in the last match of the year. The final score was 6:1 in our favour.

Have a lovely weekend and I look forward to seeing you all for our last week of term.

Mrs. Karen Wild

Toy Day

To celebrate the end of the year, we will be holding a 'Toy Day' on Thursday 26th July. Children will be allowed to bring in a toy or game of their choice to share with their friends. We would ask that selected toys exclude items such as games consoles, mobile phones, i-pads or any other technology items. Such items are not only very expensive, but also tend to lead to children not socialising with friends. If any child needs clarification of whether an item is appropriate, please ask them to discuss with their class teacher ahead of the day.

Friday 20th July

After School Clubs

On Monday you will receive a letter outlining the clubs available in September. The clubs are bookable via ParentPay from Tuesday at 4pm.

Family Contact Details

Historically we have sent out a copy of the contact details held for each child in order to ensure that the information held in school is up to date. Due to the changes in Data Protection this year, we are now unable to share data in this way. We would therefore urge parents to communicate, via the school email, any parent or other contact details that have changed (i.e. telephone numbers, addresses etc.) If parents are unsure of the data we hold, please feel free to contact the school office for clarification.

Transition Day

This week, Reception through to Year 5 have taken part in two transition days. The days provided the children with the opportunity to meet their new teachers, to become familiar with their new classrooms and offer the children reassurance ahead of their new start in September. Feedback from the staff has been overwhelmingly positive, reporting that the children have been enthusiastic about the activities that they have been doing and risen to all the challenges they have been set. Well done everyone, what a great start to next year we have made.

Dates for your Diary

23 rd July	Reception Celebration Assembly - 2:30pm
24 th July	Year 2 Celebration Assembly - 2:30pm
25 th July	Year 6 Leavers Assembly - 9:30am
25 th July	Y6 Leavers Disco 5:45pm - 8:15pm
26 th July	Toy Day (Nur to Y6)
26 th July	School Closes for Summer Break
4 th Sept	School Opens for Autumn Term

Year 6 Leavers Assembly

We would like to remind family members of our Year 6 children that they are invited to attend our Year 6 Leavers Assembly on Wednesday 25th July at 9:30am. The children have been busy rehearsing and the show is already looking like it will be an event to remember.

Year 6 Leavers Meal

On Monday I will be finalising details with Ellesmere Cricket Club regarding the Year 6 Leavers Meal. Could I please remind parents that the item is available for payment on ParentPay.

Family Fun Day Picnic

I would like to thank all the families who supported the school by attending the 'Family Fun Day Picnic' last Saturday. The event proved to be a great success with approximately forty families coming along to join in with games and refreshments. I would like to say a huge thank you to Coach Jack and Coach Nyle from EdStart who supported us on the day. Also a big thank you to the members of staff who gave up their time at the weekend to support the event.

**Reminder: No After School Clubs
Next Week**
