

Dear all,

What another fantastic week we have had at Broadoak. Well done to all the children who have demonstrated such enthusiasm during the music enhancement fortnight. Each and everybody's true star quality has shone through at some point and the children's enthusiasm has made me exceptionally proud. A huge thank to Mrs. Sequeira-Jennings who planned and coordinated the event, I'm sure you and all the children will agree it has been a fantastic fortnight in school. If your child is interested in individual or small group instrument tuition, we currently have spaces in violin and brass for KS2 pupils. Please contact the school office for further information. We are also due to launch recorder tuition in Jan for Y2 children, further information will follow. Mrs. Karen Wild

School Council Visit to Salford Council Chambers

On Thursday, Pupil Voice representatives visited Council Chambers. The children met with Councillor Antrobus and discussed the installation of a safety barrier outside school and their proposals for a lit crossing on Worsley Road. A traffic survey will take place over the next few weeks as a result of these discussions and we hope to provide further updates on this in the new year.

School Improvement Officer Evaluation

On Monday we had our termly visit from Jean Olsson-Law, our School Improvement Officer. During the day she spent time with Senior Leaders completing a learning walk with a focus on our recently extended Nursery provision, reviewing staff performance, analysing key stage data outcomes and evaluating school development priorities from 2017/2018. She also took part in the special 'X-Factor' assembly and observed a session on 'Growth Mindset' delivered by Tim Perris to our elected House Captains. Following her visit, she wrote a report that will be shared in full with the Governing Body. Below provides an overview for parents of some of the fantastic evaluations she reported:

'Evidence gained during this visit supports the school's self-evaluation that high pupil outcomes and outstanding provision are being sustained.'

'As is typical in Broadoak, the day was full of exciting, stimulating activities.'

'The new Nursery building and enhanced outdoor area supports the free flow of activities seamlessly. Children have settled happily and confidently.'

'Pupils are enthused by the broad and exciting curriculum that is enhanced with a range of memorable activities as well as providing 'fun and interesting' lessons every day.'

'Pupils make an excellent contribution to their school. They are hardworking, thinking and thoughtful, friendly and welcoming.'

Well done to our exceptional children and staff whose commitment make Broadoak school the fantastic place that it is.

Dates for your Diary

12 th Nov	Parents Evening (Rec - Y6)
16 th Nov	Children in Need - PJ and Teddy Day - £1 charity donation
