

### Christmas Performances

The children have been busy rehearsing ahead of next week's performances. Please remember, due to health & safety there is a limit of two adults per performance.

### Year 3 Forest School Sessions

In January, Y3 will begin their Forest School sessions. The sessions will run as follows:

| Class | Lead           | Day       |
|-------|----------------|-----------|
| 3M    | Mrs. Stribling | Monday    |
| 3T    | Miss Alford    | Wednesday |

Please ensure your child has an appropriate change of clothes, including layers and waterproof items. To ensure the welfare of all children, if a child does not have the relevant clothing they unfortunately will be unable to participate.

### Parking and Safety of children

Ahead of the busy Christmas festivities, I wanted to take the opportunity to encourage parents to be considerate of our neighbours when parking within the local area. This week I have been approached by the manager of The White Horse pub, who raised growing concerns around the business of the car park at the end of the school day. This is a private car park and whilst historically the pub has supported the school by allowing parents to use these facilities, they would now like to ask parents to avoid use at this busy time. They are still happy for this to be used at morning drop off as this is a quieter time, when customers are not requiring the facilities.

### Reminder

Looking forward to seeing you all at the Christmas Fair tomorrow from 3:30pm onwards.

### Broad Oak's Health and Wellbeing Team

As a school we are fully committed to ensuring we provide the best provision for our children in all areas of the curriculum and beyond. It is for this reason that we decided to extend our staff to include a Health & Wellbeing Team. Last week we appointed Coach Kim and Coach Vicky, who will join our staff team following the Christmas break. We will use the first half of the spring term to carry out a transition period between them and EdStart. The new team's roles will include delivering the sports curriculum to all year groups, extending to include further elements under the umbrella of health and wellbeing i.e. healthy eating, mindfulness, social media and its impact plus much more. They will also be delivering after school clubs and taking a lead role in supporting the school teams during competitive opportunities. We are pleased to be welcoming them to the team and excited at the many opportunities that the roles will bring.
