

Dodgeball Competition

Today we hosted a Cluster Dodgeball Competition which was a great success. We would like to thank the other schools in our cluster who attended. There was some fantastic dodgeball skills and sportsmanship on display. Broadoak were the overall winners and we will now represent the school at the Salford Dodgeball

History Enhancement Week

Following on from a successful and enjoyable Music Enhancement fortnight last half term, I am pleased to announce that next week is the launch of our History Enhancement week. Initially, children will investigate Broadoak's and then begin to explore through historical enquiry "What makes a great leader?". Each year group has a designated individual to discover who the person is, the events in their life and if they are truly a great leader.

To conclude the History Enhancement on Fri 8th Feb, children may dress up as the individual that they have studied over the week. It does not have to be a full costume, it could just be an accessory that the person would own or that would portray the time period. Alternatively, children can come in colours that represent the flag of the country from where the leader originates. Teachers will inform the children of any more costume ideas throughout the week.

Year Group	Leader Focus	Suggestions for Friday 8th January
Nursery	Bears	Bring a teddy. (Non-Uniform)
Reception	Queen Elizabeth II	Crown, flag, Queen / King costume or wear red, white and blue
Year 1	Christopher Columbus	Explorer costume, map, treasure
Year 2	Grace O'Malley	Pirate costume, eye patch, bandana
Year 3	Queen Victoria	Victorian clothing, or red white and blue
Year 4	James I and Powhatan	Native American Indian, feather headdress, beaded necklace, toy bow and arrow
Year 5	Genghis Khan	Mongoli costume, fur jacket, toy bow and arrow or red and blue for the Mongolian flag
Year 6	Winston Churchill	WW2 object, suit, soldier costume or red, white and blue

Please could I politely ask parents to not inform children of the individual that they will study, as it will remain a surprise until they open a box of clues on Monday morning.

Eco Team Message

As an eco school, we recognise the importance of protecting our local environment. A concern has been raised regarding the number of engines left running for long periods of time at drop off and collection. Please could we ask parents to be mindful of the wider effects of unnecessary fuel emissions.
