

### Photograph Day

Today, all classes have had their photographs taken. The photographer commended the children on their excellent manners and their fantastic presentation. The proof copies will be sent home in the next couple of weeks.

### Key Stage One Cricket Festival

Today all children in KS1 took part in a cricket festival led by Coach Jordan from All Stars Cricket. The children enjoyed an assembly introducing them to the sport and sharing opportunities that are available to them in the local community. Each class then took part in a cricket session which taught them all about throwing, catching, batting and bowling. The session was a great success and the children enjoyed every minute!

### Raffle Tickets - Reminder

On Tuesday your child brought home a strip of raffle tickets. Please could I remind parents to return these by **Thursday 16th May** so we can ensure all purchased tickets are entered into our prize draw. If any parents would like additional tickets please contact the school office. The winning tickets will be drawn during the Spring Fair and a list of winners will be shared in the following week's newsletter.

### Spring Fair - Friday 17th May (3:30pm)

Thank you to those parents who have offered their support either for setting up the Fair or for volunteering to run a stall during the event. ### Year 6 SATs and Breakfast Club

As you will all be aware, next week our Year 6 children will be completing external SATs assessments. The Year 6 children and staff have worked extremely hard in preparation for these assessments and I am confident they will perform amazingly over the week. I would like to however remind parents of the importance of the children getting enough sleep ahead of the tests. Tiredness can have a detrimental effect on pupils' ability to concentrate and give their best, so please support by early nights over the weekend and throughout next week. Please also ensure children are in school on time and every day during the allocated SATs week. Your continued support with this is much appreciated. Year 6 children are invited to school for 8.30am to have breakfast with their classmates from Monday to Thursday. This is a good opportunity for children, and staff, to calm any last minute nerves!
