Broadoak PTA Quiz Night

On **Wednesday 27th March**, the PTA will be hosting a Family Quiz Night. The event will run from 6pm—8pm and will include quiz rounds on a range of topics. Tickets will be sold at a cost of £3 per person (adult or child). Teams need to be made up of no more than 8 members—this number needs to include children to ensure that we are in line with our hall capacity. Tickets will be available via ParentPay from Monday. We look forward to seeing you there.

First Aid Safety Training: Fast First Aid Course for parents/ carers

A 2 hour mini First Aid training session is available to book for parents and carers. This will be hosted at school on **Tuesday 12th March between 5pm-7pm**. On the session, you will learn how to give CPR, basic life support, how to use a defibrillator (AED), First Aid priorities and how to deal with a choking incident. To book on to the Fast First Aid course, please click on the link which has been included in the main body of the email.

Key Stage 1 PTA Disco

The PTA hosted our first KS1 disco on Tuesday—it was a lovely evening and all the staff were amazed at how grown up the children seemed and spotted lots of excellent dance moves too. The children played some party games and the time flew by. A great time was had by all. Thanks to all parents who supported the event.

Aspirations Week—Thank you

Thank you so very much to all of our wonderful Aspirations Week volunteers. We have had a wonderful week listening to the fascinating careers of parents, carers, wider family members and neighbours and we really appreciate all of their time, effort and support—the children have really enjoyed having visitors in school and learning about different careers and thinking about what they wish to do when they grow up. This is our third year of hosting Aspirations Week and to some children this is one of their favourite weeks. We look forward to welcoming visitors again next year.

Contacting Class Teachers

Please could I remind parents that any emails for the attention of class teachers should be sent directly to the main school email account. This approach allows all messages to be monitored by the Senior Leadership Team and also ensures that the staff are able to receive the messages within their 'working day'.
