

Dear all,

This week, the children have been busy competing in a wide range of sporting events. Children from Y3–Y6 joined together to compete in the Worsley Schools' Relay Race in Worsley Woods. Both the girls' and boys' teams performed well and finished in 3rd and 1st place respectively. On the same day, Y3 & Y4 children competed in a Tag Rugby competition. Mr. Tinker was proud of the children who demonstrated great sportsmanship. Finally, today 4 children represented Broadoak in a Worsley Cluster Tennis competition. They played well and were awarded third place overall.

Our Reception children today enjoyed a special author visit. Mrs. Dawn Robertson visited the classes to share her soon to be published book 'Lizzie and the Birds'. The children were excited to take on the various character roles and were eager to act out parts of the stories. Mrs. Robertson was impressed with their language and engagement. Well done Reception superstars! Have a lovely weekend. Mrs. Karen Wild

Safeguarding in School

Following a Pastoral Committee meeting, in order to ensure strong safeguarding procedures are embedded in school, it was agreed that it would be useful to share with parents the names of the identified lead staff and Governors. Mrs. Julie Whittaker is the Designated Lead in school for Safeguarding and Mrs. Elizabeth Mullen is the named Governor. If any parent has any concerns about children, please do not hesitate to contact the school office.

Morning Drop Off Arrangements

Following last year's review, I am pleased to feedback that the staggered start to the morning has continued to be a success. Could I please remind parents that if a child arrives on site before this time, that staff are not on hand to monitor the children and therefore the children are not the responsibility of the school. In the event of an emergency or extenuating circumstances, we encourage parents to contact the school so that arrangements can be made to safeguard your child.
