

Dear all,

This week it has been fantastic to welcome our Nursery parents into school. I would also like to thank all the parents who attended this week's Parents Evening. A big thank you to the teaching staff for their preparations ahead of the evening, we hope all parents found the evening informative and came away with a clear understanding of their child's achievements and next steps in learning. If you have not yet booked a slot to see your child's class teacher, please visit the Parent Evening website to book a slot for Monday 26th March.

Today in school we have all enjoyed playing our part in supporting the charity Sports Relief. The children looked fitness ready in their sporting outfits and enjoyed rising to the challenge of completing our Broadoak assault course. As Sports Lead, Mr Tinker briefed the staff this morning, talking them through the course. He led by example and completed the course in 1 minute and 6 seconds. Check out Twitter to view his attempt! As a result of the event, we have managed to raise £372 for the great cause. Well done everyone for such great effort and kind contributions.

Have a lovely weekend. Mrs. Karen Wild.

### **After School Clubs - Summer Term**

Tonight you will be receiving a letter regarding the clubs available to your children for the Summer Term. As always, places can be secured via ParentPay. ### **Rugby Tournament**

On Tuesday our Y5/Y6 rugby team competed in the Greater Manchester School Games. The event was held at Belle Vue, with a fantastic opening ceremony being held at the Etihad Stadium. The children competed in six matches, winning five and drawing 1, taking them through to the final. The final was an exciting match, where all the players demonstrated great skill and excellent sportsmanship. Unfortunately the match went to extra time, and the team were beaten by the golden try from the opposing team.

As a school we are tremendously proud of the teams achievements. The result places us as the second best team in Greater Manchester, out of approximately 400 schools who entered at the beginning of the year. Well done Team Broadoak!
