

Dear all,

What a busy, exciting time we have had in school this week. The week began with our Health and Fitness Fortnight Launch assembly. Coach Miriam and Coach Ian led the children in a range of energiser activities and the staff led by example by completing in a team triathlon. Unfortunately, two staff teams had to be disqualified, due to their over competitive approach, however we used this as a good example for the children about the importance of competing in a fair manner!

We were also fortunate to have two fantastic visitors this week. Diane Modahl visited the KS2 children and delivered a motivational assembly sharing her own personal experiences and achievements. Ayaz Bhuta visited the children in KS1 & 2 and spoke to the children about the physical challenges he has faced and how he progressed to competing as a paralympian, he then went on to lead some practical sessions with our Y4 & Y5 children. Both visitors were engaging and inspirational to the children and were a real asset to Health and Fitness Fortnight.

A further highlight of the week has been our Scootfit sessions that have taken place today for our Rec to Y3 children. The children strapped on elbow and knee pads and helmets and scooted around a set out track which included ramps! The activity was great fun for the children and promoted the link between fitness and fun.

Have a lovely weekend and we are very much looking forward to more fitness fun next week.  
Mrs. Karen Wild

### Sponsored Triathlon

On Friday we will be holding our annual sponsored event. This year the children will be completing a triathlon in order to raise funds towards the installation of a running track. All children should have brought home a sponsor form which is due to be returned to school by Thu 28th June. We have drafted a timetable for the event and are welcoming parents to come along to watch the children complete the challenge. Below is an overview of the sessions for each Year Group:
