

Trade Your Way - Y6 Business Enterprise Project

Over the past few weeks, Year Six have been working on their annual 'Trade your Way' business enterprise project. The children have worked together in groups to decide on an original business idea. With a budget of £10, each group has been responsible for the planning, organisation and financing at each stage of the process. They will promote and advertise their business ideas in a special assembly on Monday 8th July to the children in Key Stage One and Key Stage Two. The 'Trade Your Way' afternoon will take place on Friday 12th July and on this day we invite the children from Year One to Year Six to bring in a maximum of £2 to spend on the stalls. There will be lots of exciting purchases and games on offer on the day, including: handmade bookmarks and origami, football kick-up challenge, target challenge, glitter tattoos, beat the goalie, hair designs, tie dye t-shirts, scrunchies, slime and many more! Some activities will require a consent form and these will be sent home as required. We hope that it will be a truly enjoyable afternoon for all of the children involved.

Half Price Book Fair

Our annual half price Book Fair will be on next week. The event will run on Tuesday / Wednesday / Thursday from 3:15pm for parents and 3:30pm for the children. The event will be held in the Infant Hall. All children will bring home a flyer tonight - I Look forward to seeing you there.

Sponsored Event Update

Could I first begin by saying a huge thank you to all the Broadoak families and friends who have supported the school by sponsoring our children for taking part in this years sponsor event. Thanks to a fantastic commitment from the children, staff and parents, we managed to run enough miles to get us from Manchester to Disney World Florida. The total money raised from this event is an amazing £2890. This money will be reinvested directly back into the school to support us in playground developments. Updates on this will be provided to parents in the Autumn Term.

Family Contact Details

Historically we have sent out a copy of the contact details held for each child in order to ensure that the information held in school is up to date. Due to the changes in Data Protection last year, we are now unable to share data in this way. We would therefore urge parents to communicate, via the school email, any parent or other contact details that have changed (i.e. telephone numbers, addresses etc.) If parents are unsure of the data we hold, please feel free to contact the school office for clarification.
