

Nasal Flu Vaccination Programme

Once again we are taking part in the Nasal Flu Vaccination Programme. This year, pupils in Reception to Year 6 are eligible for the vaccination. In order to streamline organisation of consent, this year we will be running an online link for parents to complete. Please could we ask parents to complete this straight away to allow sufficient time to feedback numbers to IntraHealth who will be coordinating the programme.

If you would like your child to receive the nasal flu vaccine in school please go to the following link to complete an online **YES** consent form however if you do not wish for your child to be vaccinated please fill in a **NO** form.

If your child has already had the Nasal Flu vaccine since Sept 2019 please disregard this message. There is various information available on the online portal that will enable you to make an informed decision. If you have any further queries please phone 0333 3583 397.

PE Provision Update

Last year, to further enhance our PE and wider Health and Well Being provision at Broadoak, we introduced our Health and Well Being Team. This introduction has been hugely successful and this year will be further enhanced by the introduction of Coach Miriam, who will be delivering dance sessions to individual year groups as a supplement to their weekly swimming lessons (i.e. Y5 in the Autumn, Y4 in the Spring and Y3 in the Summer). I would like to welcome her to the team and look forward to seeing lots of amazing dance sessions

EYFS Induction - Well Done!

I would like to take this opportunity to say a huge well done to all our Nursery and Reception children who today have successfully managed their first full day in their new classes. Could I also say a great big thank you to the parents who have supported us during their part time induction period. I appreciate the challenges that parents face with regards to child care during this period, but would once again reinforce how the reduced number of children has allowed the staff to spend quality time getting to know all the children.

School Payments

As I am sure you will appreciate, the school office forms the busy hub of the school. In order to support the office staff and ensure smooth running, I would like to revisit our policy on payment for items such as lunches, music fees, trips etc. Payments for school lunches and music fees should always be made in advance, avoiding wherever possible a mount up of money owing. If an account is found to be owing, an email requesting swift payment will be sent by the school office. One off items such as school visits should be paid in advance of the event. Thank you in advance for your cooperation.
