

### Pupil Voice Update

Since being elected, the School Council and House Captains have met with Mrs Comerford on a regular basis. The School Council have liaised with their year group and brought up any issues which have been raised by their classmates within the fortnightly meetings. Various topics have been discussed, varying from lunchtime rotas to the provision of playground equipment. The children have recorded minutes after each meeting and then written an agenda for further action. This morning, representatives from the School Council met with Mrs Wild and Mrs Stephenson to discuss their current agenda. The key issues discussed were lunchtime organisation, the provision of blinds in each classroom and the positive impact of the daily mile. School Council now have an action plan and are looking forward to providing further updates on this soon. The House Captains have also been very busy. Since being elected, they have taken an active role in the weekly assemblies, assisting staff, awarding stickers and certificates. They have also planned, designed and promoted a special Christmas competition. The competition is for children to draw a picture, based on their Christmas play. It is open for children from Nursery to Year Six and the prize is to have their picture used on the front of the programme. There is still time to get your entries in as the competition closes on Monday 2nd December. The House Captains are looking forward to judging this competition next week.
