### **Christmas Fair Update**

Last Friday we held our annual Christmas Fair. Thank you to all those who supported the event either by providing donations, helping to run the event or by attending on the evening. As always it was a highly successful event raising approximately £3000 towards the PTA funds. On behalf of the school I would like to thank all those who provided raffle prize donations plus Casserly Project Management, J Fletcher Engineers and the Mullens family who kindly sponsored stalls and donated prizes. I will update parents in the new year on potential projects that the funds raised will be used for.

### **Nursery and Reception Application Deadline**

### **Christmas Concerts**

This week, concert season has definitely hit Broadoak. Could I take this opportunity to say a huge well done to the children who have blown me away with their amazing talents and performances. Could I also say a huge thank you to the staff for their hard work and on going commitment to our children. We have the Upper Key Stage Two concert outstanding, but are confident that this will be equally amazing.

I am aware that many parents were disappointed due to the hall being so busy during the Lower Key Stage Two performance last night. Could I take this opportunity to remind parents ahead of the Upper Key Stage Two performance that the space in the hall is only suitable for two attending adults per child. Following the challenges last night, can I reassure parents that we will be reviewing the organisation of performances to ensure that this issue is not repeated.

### **After School Clubs Reminder**

I would like to remind parents that the Autumn Term clubs are running until the end of term. If your child will not be attending, please contact the school office so that the person running the club can be updated.
