

### Share a Million Stories Update

We have had a wonderful start to our Share a Million Stories campaign this week with an amazing 5,775 shares, which we have now added to the national total. It has been lovely to hear so many children share their favourite stories with their friends and we encourage you to keep this up at home. Remember the number of shares above represents the number of children who have shared a story. Let's keep our focus and drive forward to ensure we reach our goal of 25,000 shares by the end of March, keep up the good work!

### Nursery Stay and Play

To reflect the feedback provided by parents in the parent questionnaires, we have decided to adapt our Nursery Stay and Play sessions this term. As with last term, parents are invited to spend time in the Nursery Unit with their child during one of the allocated sessions (w/c 23rd March). A letter, allowing parents to state their preference for sessions, will be sent home with the children on Monday evening. We will then be providing parents with the opportunity to book an additional appointment to discuss their child's progress outside of the school day. These meetings will take place w/c 27th April with 5 minute appointments running from 3:30pm - 4:30pm. A separate letter will be sent to allow parents to state preference on times and dates for these closer to the time.

### Spring Term Parents' Evening

On Monday 23rd March we will be holding a Parents' Evening for parents of children in Rec to Y6. Our online booking system goes live on Monday 9th March from 6pm onwards and will close at 12 noon on Friday 20th March. Login details will be the same as last term and can be accessed via the following link: <https://broadoakprimaryschool.parentseveningsystem.co.uk>. A separate letter, with access guidance, will be sent out today. Please have a go at logging on ahead of the launch date so that any problems can be addressed.

### Spelling Shed Weekly Champions

Congratulations to 2T who have been crowned this week's Champions. Well done, keep up the good work.

### Reading Newsletter

Today you will be receiving a Reading Newsletter that aims to revisit with parents the approach Broadoak takes to the teaching of reading. Please take time to read the newsletter and discuss with your child. Over the next few weeks we will also be reviewing the 'reading' section of the school website to provide parents with advice on how to support their child with reading at home. As I'm sure you are aware, Broadoak places great emphasis on developing a love of reading for all pupils and would like to thank parents for their ongoing support in this.

### Parent Voice Group

Our next Parent Voice Group meeting will be held on Friday 13th March at 9am. All parents are welcome to attend.

### World Book Day

Thank you to all the family members who joined us during our World Book Day reading sessions. The children had a fantastic day and it provided a great opportunity to reignite the Broadoak Love of Reading.

### Sports Relief - Charity Fun Day

On Friday 13th March we will be supporting the national charity event 'Sports Relief'. Our Health and Wellbeing Team have organised an indoor fitness challenge for each of the year groups to participate in. The day will end with a celebration assembly where the children will challenge the staff to find out who will be crowned the fitness champ of Broadoak! We are asking for the children to bring in a £1 donation in return of wearing their own sports clothes and completing the challenge. We are sure the day will be a huge success and look forward to sharing lots of pictures and videos via our new PE Twitter feed @Broadoak\_PE
