

End of Year Message from Mrs. Wild...

As I write the final newsletter for this academic year, I cannot quite believe how this year has turned out. It certainly wasn't the year we had predicted 12 months ago. I would like to thank the staff, parents and governors for their overwhelming support, understanding and encouragement during this time. But most importantly, I would like to say the biggest well done to our amazing children. Once again, they have been faced with unprecedented challenges and I am so proud of the resilience they have shown - well done everyone.

Whilst we are sad to be saying goodbye to all our Y6 children, I would also like to say goodbye to other children who are moving on from Broadoak this year. Good luck to those Nursery children who will be continuing their journey at various other schools, I'm sure you will wow them with your brilliance. Also, good luck to Samera in Y4 and Lucie and Ethan in Y5. I'm sure you will do amazingly in your new schools.

On behalf of us all at Broadoak, we wish you all a very happy and safe summer. I look forward to seeing you all back on Thursday 2nd September. Mrs Wild.

Sports Day Result

Due to various bubble closures, our Sports Days this year have been held over the last couple of weeks. Thankfully, we have now managed to complete events for all year groups and after counting up all the points from each event, I am pleased to announce that the champions this year are Egerton. Well done to all the children who took part with enthusiasm and fantastic sportsmanship. I look forward to be able to have parental support crowds back next year!

Parent View

Thank you to all the parents who have returned the annual report comment sheets. As the year comes to an end, please could I ask parents, particularly parents of the Y6 children who are leaving Broadoak, to complete a questionnaire on Parent View. This information feeds into our school evaluation and allows the school to review current policies and practice. The link is as follows <https://parentview.ofsted.gov.uk/>.

Goodbye to our amazing Year 6!

As you are aware, on Tuesday, we had to close our Year 6 bubble meaning that they have missed their last two days in school, including their celebration 'day out' and performing their end of year performance for parents. We were absolutely devastated that their time at Broadoak ended like this, but would like to wish the children the best of luck as they move onto high school. It has been a pleasure and true privilege to see them grow and mature during their time at Broadoak. They have been an amazing year group who are highly thought of by all staff. As a Headteacher, I am confident that the children will continue to rise to any challenges they face and go on to achieve great things - one last well done from Mrs Wild, you have been amazing!

Dates for your Diary

22 nd July	School closes - Summer Break
2 nd Sept	School Re-opens for Autumn Term

September Drop Off and Collection Arrangements

Due to updated guidance from the DfE, in September, schools will no longer be required to operate a 'bubble system' in school. During the summer break, we will be reviewing our risk assessment and adjusting other areas of provision in school. Changes will be communicated to parents at the start of the Autumn Term.

With regards to the drop off and collection arrangements, we have made the decision that we will continue to operate a staff managed gate system in the morning for Key Stage One and Key Stage Two children. We have found this approach helps to provide a smooth start to the day for both children and staff. The gates will be open from 8:45am until 8:55am, if children arrive after this time they will need to report to the main gate and buzz the office for entry. We would ask that Y1 and Y2 children still enter through the main gate on Fairmount Road for safeguarding reasons, but other year groups may choose between the main gate or the White Horse gate, dependent on which suits their route to school best.

In order to reduce the congestion of parents, collection time will be from 3:20pm to 3:30pm, where parents will be able come onto site to collect their child from a designated place. The collection points will be as follows:

Nur	Nur Unit	Y2	Classroom
Rec	Rec Unit	Y3	Classroom
1C	KS1 Hall Door	Y4 & Y6	Y4/Y6 Playground
1S	1S Classroom	Y5	Y3/Y5 Playground

This will be reviewed during the term as required. In September, we will ask parents to update our 'walk home' permission list for our Year 5 and Year 6 children.
