### Parent Voice Group

We would like to re-establish our Parent Voice Group. This group provides a vital opportunity for school to liaise directly with parents on school priorities. The group will meet in the morning on the last Friday of each half term, starting in Autumn 2. We are hoping to have one representative from each year group (Nursery to Y6). If you are interested in this role, please email the school directly.

### Y6 Workshop (10th / 11th November) - The Anne Frank Trust UK - Voices for Equality

The Anne Frank will deliver an exciting new programme, to our Year 6 children. They will learn from the uniquely inspiring life and work of Anne Frank, using readings and video extracts from her diary. They will explore contemporary and historic forms of prejudice and discrimination, reflecting on the dangers if left unchallenged. They will be empowered to become voices for equality in our school.

### Children in Need - Charity Event

On Friday 12th November, we are supporting the charity Children in Need. On this day the children should come into school wearing pyjamas in exchange for a pound donation. During the day, the children will take part in fun activities and reflect upon the impact donating to this cause has on various communities.

### Sports Update

Following the easing of COVID restrictions, this term we have been able to resume competitive opportunities for the children of Broadoak. So far, we have taken part in a Manchester United player led tournament, where the children took part in a number of matches and finished in joint first losing out on goal difference overall.

This week we hosted the Worsley League, welcoming teams from St. Marks, St Andrews and Peel Hall. It was fantastic to see competitive sport back on our school site. The children from all schools displayed a positive attitude towards all matches played. Team Broadoak won all of three games, played well as a team and made all the Broadoak staff very proud. We are looking forward to next half term, where there will be lots of different sporting events available to the children, providing them opportunities to represent their school - Well done Team Broadoak!
