Parent Voice Group Feedback

Thank you to our parent voice group for their time again today and to those parents/carers who have approached the representatives with comments and questions. We discussed parents' evening, educational visits, homework, 50 brilliant books, the class pages on the website and methods of communication.

Website -Class Pages

The class pages on the school website have been redesigned to provide parents and carers with key information such as a curriculum overviews, our focus authors for each term and the year group 50 Brilliant books. Please take a look at these by clicking the curriculum tab and then class pages at the top of the drop down menu.

Young Voices Concert

Next week, a number of children will be taking part in the Young Voices Concert. Individual letters have been sent out to all the children involved. Please note that the children should be collected from school, not the arena, at approximately 10pm. Updates will be posted on the school Twitter feed.

Warm Weather Essentials

Please ensure your child comes to school with a water bottle, sun hat and wearing SPF30+ sunscreen on hot days.

Health and Fitness Fortnight

Health and Fitness Fortnight commences on 27th of June. For these two weeks, the children will need to come into school each day wearing clothing suitable for taking part in physical activities. The children will be participating in a range of events that promote sport, fitness, healthy life styles and wellbeing. Further information about Health and Fitness fortnight will be shared nearer the time.

Sporting Events and Achievements

It has been a very busy week with our girls' football team winning their first competitive match. Well done girls, we are so proud of you!

Wednesday was also very eventful with a Lacrosse competition at Monton Sports Club where our all girls team competed against other Salford schools. Many of the girls participate in this sport outside of school and their skill and commitment was evident in their fantastic performance.

On Wednesday evening, a number of children competed in the Worsley Swimming Gala which resulted in the school being crowned Worsley Champions. Well done to all the children who took part, it has been so wonderful to see the children participate in competitions again.

PTA Update

We have taken the decision to delay the postpone the commencement of PTA events until the start of the next academic year. We had limited responses from parents but hope to build upon this in September. Thank you to those who responded.

Jubilee Celebration – Friday 27th May

Friendly Reminder, on Friday 27th May, we will be celebrating the Queen's Jubilee. On this day, we ask that the children come into school wearing red, white and blue, or Jubilee themed clothing.

Parking Reminder

Once again, we have received emails from residents regarding parents inconsiderate parking at drop off and pick up. As I have asked on numerous occasions, please can parents not block driveways, preventing residents from accessing or leaving their property.
