National Diabetes Awareness

On Tuesday 14th June, we are asking all children to come to school wearing blue and to bring a donation into school for the charity Diabetes UK. As we have children in school who have Diabetes, this is another special event we like to take part in.

Refugee Week

Refugee week commences on 20th of June. In school, the children will be exploring the experiences and lives of refugees. We would like to support the charity Refugee Aid, a local charity who are appealing for backpacks for refugee children who are accessing local schools. If you have any spare / unused backpacks in good condition which are large enough to hold a number of A4 school books please send these into school between the 20th - 24th of June. Thank you for your support.

Young Voices Concert

On Wednesday, the children and staff who attended the Young Voices concert had a truly wonderful time. They sang their hearts out whilst having a little boogie too and were a credit to the school. The behaviour of the children was exemplary and commented upon by various people both on the night and the following day. Well done to all of the children who attended, the staff for taking the children to the event and to the parents who came along to support the children.

Athletics

A huge well done to all of the children who represented the school at the Worsley Athletics competition this week. It was brilliant to see the children take part in competitive athletics, with Jack and Mia (Y6) winning gold medals in their 600m races. The relay teams also did us proud with their excellent performance and, as always, their great team work. Well done Team Broadoak!

NSPCC—Stay Safe, Speak Out –w/c 13th June

After the half term, we will be delivering NSPCC online assemblies and access various resources as part of the NSPCC *Speak out. Stay safe. Campaign*. This is a safeguarding programme available to all primary schools in the UK. It aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly way. Children are taught to speak out if they are worried, either to a trusted adult or Childline.

In the online assembly, the *Speak out. Stay safe.* messages are delivered in a fun and interactive way with the help of their mascot Buddy as well as special guest appearances from Ant and Dec.

The NSPCC have carefully considered the content of the materials and are extremely confident that they are appropriate for primary-school-aged children. Senior leaders have also watched these and are happy the content is appropriate for our children. By the end of the programme, children will feel empowered – knowing how they can speak out and stay safe.

The NSPCC will be visiting school to build upon the assemblies and deliver workshops to the Year Six children ahead of their transition to high school.

If you would like to know more about the *Speak out. Stay safe.* Programme, you can find information on the NSPCC website www.nspcc.org.uk/speakout

Jubilee Celebration

The children have had a wonderful day today celebrating the Platinum Jubilee. They enjoyed a day of activities, games and a street party to mark this wonderful occasion. Thank you to all staff and the catering team who ensured the day ran smoothly.
