### Toy Day—Last Day

On Tuesday, the children are welcome to bring into school a toy or game which they can play with their friends. The children should not bring in any electronic or valuable items and are responsible for looking after them and their safe return.

### Parent Voice Group

Thank you to our Parent Voice Group members who came into school today. We spoke about our school Behaviour, Anti-Bullying and Online Safety Policies and how these are implemented in school. Thank you to parents who approached their year/class representatives with such lovely compliments and bringing our attention to issues with connectivity at parents' evening sessions and wishing to support the PTA. I know some concerns were raised about the crossing patrol which is a position Salford City Council are currently recruiting for. Should you wish to raise any concerns with the council directly, please contact the School Crossing Patrol Service on 0161 779 4999.

### Nasal Flu Vaccination/Spray

On Tuesday 20th December, there will be a catch-up session for the Nasal Flu Spray. This will only be for children who were absent on the original date or have since returned a completed consent form. If your child has received the nasal spray in the meantime, it is important that you notify school to ensure they do not receive a second dose. Unfortunately, we are unable to add any further children to the list for next week.

### Christmas Concerts/Productions

The children were thrilled to perform their Christmas productions for family members this week. The singing in each show was beautiful and the children's acting was fantastic too. All staff were incredibly proud of the children for taking part, knowing that some children haven't performed in front of an audience before or for a long time. Well done to all children for learning the songs, actions, lines and for wowing us all! Thank you to the staff for working hard to ensure the productions were a success and to everyone who came along to support the children, thank you so much. We hope you enjoyed watching—it was so lovely to have families in school watching live performances again.

### Mustard Tree

Thank you to everyone who made a charitable donation to Mustard Tree when attending the school performances this week. £668 has been raised to help homeless people in the local community. The charity are very grateful for your support. Thank you again for your generosity.

### Year 3 Forest School Sessions

After Christmas, our Y3 children will be taking part in Forest School sessions. The sessions will run as follows:

- Monday Afternoon - 3M
- Friday Afternoon - 3S

The sessions will begin w/c 9th Jan. To allow the pupils to participate fully, the correct clothing is essential for Forest School. On their day, the children need to come dressed in the following:

- Warm socks
- Long trousers
- Long sleeved top & jumper or sweatshirt & waterproof coat.

These need to be old clothes as we do not intend to stay clean! The children also need to bring in wellingtons or walking boots for each session. Thank you.
