**Planned Industrial Action -**  
**Wednesday 1st February**

As we shared last week, plans are in place to facilitate the full opening of Broadoak next Wednesday. Currently there have been no changes to our plans. I will update parents at the beginning of next week if any changes are necessary.

**Acceptable Use Agreements - Parent**  
**Action Required**

This week, your child will have brought home an Acceptable Use Agreement. Please could I remind parents that these should be discussed, signed and returned to school. Thank you for your support in this matter.

**Lledr Hall Parent Meeting**

On Tuesday, we held a parent meeting for our Year 5 families to discuss the arrangements for our residential visit to Lledr Hall. Thank you to all the parents who attended. We will place the presentation on the Year 5 class pages next week for anyone who was unable to attend.

**Aspirations Week (06.03.23 - 10.03.23)**

In March, we will be once again celebrating Aspirations Week. In school, the children learn why our curriculum subjects are important and how they can link to future career opportunities. Throughout Aspirations Week, we would like the children to meet a range of people with different careers and vocations so they can understand more about different careers and job roles available and how curriculum subjects and personal attributes are used and needed in various careers. We hope that by inviting a range of visitors into school to speak to the children about their careers and share information about what their day to day job entails, we will inspire children to follow their interests and consider future career options available to them. If you or you know of someone who would be willing to come into school and share their career experiences with the children, please email Miss Fairhurst directly: [hannah.fairhurst@salford.gov.uk](mailto:hannah.fairhurst@salford.gov.uk)

We are hoping to be able to provide the children with a wealth of visitors again this year as the children very much enjoyed finding out about different job roles and were very inspired by all of the volunteers who participated last year. Please do not be nervous about volunteering as all the sessions will be supported by the class teacher. Like last year, sessions will be delivered to a specific year group with visitors talking with one class at a time. Further information will be emailed to any volunteers to support them in delivering their sessions with the children.

We look forward to hearing from you. Thank you.

**Girls Football Club - Foundation92**

From next Tuesday, we will be starting a girls Y5 and Y6 football club at lunchtime. The club will be run by Foundation92 staff. As the sessions fall on a Tuesday, Year 5's PE day, they will already be wearing their PE kits. Y6 girls who wish to take part in these sessions will need to bring in a kit to change in to.

**Homework Expectations at Broadoak**

We would like to remind parents that weekly homework is issued to children on Wednesday and is due to be returned on the following Monday. There is an expectation that children complete the allocated pieces each week. If children are regularly not completing the work, their class teacher will discuss this with parents. Children may be asked to complete missing homework at an appropriate time during the day. All homework set should be accessible to the children to complete at home, If your child is having any difficulties completing their homework, please speak to the class teacher - email via the school email account or speak to teachers at collection time at the end of the day. Thank you for your support.

**Dates for your Diary**

30 <sup>th</sup> Jan	Young Voices Concert
1 <sup>st</sup> Feb	National Strike Day - School open to all year groups
