Kindness Challenge - 52 Lives

It's been so lovely to hear about the kind acts children are doing for themselves and others as part of our 4 week kindness challenge. The challenge itself comes to an end on Friday 31st March. Please can children return their booklets to school before we break up for Easter. Thank you.

PE Sessions

Usual PE sessions resume next week.

Toast - Price Increase

We have reviewed the weekly price for Toast for Year 1-6 children. From the summer term, this will unfortunately need to increase to £1.25 per week, due to significant increases in both bread and energy costs. Thank you for your support with this - the first increase in over 10 years. Toast for the Summer Term will be accessible on ParentPay later next week.

Comic Relief Charity Day

Comic Relief's Red Nose Day is such an important charity as it makes a difference to the lives of millions of people across the UK. Thank you for the donations received so far, if you wish to make a donation, please follow the link: <https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=10301>

Online Safety Hub - our New Resource for Parents

The Online Safety Hub is a brand-new online resource with lots of expert advice and guidance to help you as a parent, manage your child's safety online. It includes information on the latest hot topics when it comes to keeping children safe, such as how to manage your child's screen time, understand the latest gaming platforms, what they mean for your child's safety and lots more. You can access it for free here: <https://broadoak.online.safety.hub.uk/>

Creating a Tech Agreement with your child.

Ever feel like you and your children aren't on the same page when it comes to things like how much screen time is appropriate or what they're allowed to access online? A tech agreement can help remove some of the ambiguity and set the tone for better digital practices for your family. To help, there's lots of information and guidance which can be found on our Online Safety Hub. Smoothwall online safety experts have created examples of tech agreements which you can use for children of different ages enabling you to develop a family tech agreement that will work best in your own home. For further information Please visit: <https://broadoak.onlinesafetyhub.uk/parent/rules-agreements/creating-a-tech-agreement>

Online Safety Workshop Presentation

Parents can now access, on the school website home page, a copy of the presentation from the Smoothwall online safety parent workshop. Further sessions will be run in the Summer term. Details of dates and access will follow closer to the time.

Parents' Evening 20.03.23/21.03.23

Parents' Evening is taking place via our online system, Parent Cloud, on Monday and Tuesday evening. The window to book a slot closed at noon today but if you are yet to book an appointment and wish to have one, please contact the school office. Thank you.

School Crossing

Parents will be aware that we have been without a school crossing patrol on Worsley Road for many months, despite attempts by Salford City Council to recruit someone to this role. Whilst school is not responsible for the crossing, we fully understand parents' concerns about road safety and support any attempts to improve this provision for our Broadoak families. We have been advised by those campaigning for a pedestrian crossing to be installed, that parents should make their views known to the local councillor Mr Robin Garrido. He can be contacted at councillor.rgarrido@salford.gov.uk
