Photograph Day - Reminder

On Thursday of next week, the children will be having their class photographs taken. Please remember that the children are expected to be in full uniform for this day. If your child is in Year 5 or Year 6, they should come in uniform and NOT their PE kit. As stated in the events section, Mrs Comerford's class should bring in a suitable change of clothes for their Bikeability session.

Parent Voice Group - Cancellation

Our parent voice group were due to meet next on Friday 19th May. Unfortunately, due to staffing commitments, the meeting will be cancelled and picked up in the next half term.

Warm Weather Essentials

Please ensure your child comes to school with a water bottle, sun hat and wearing SPF30+ sunscreen on hot days.

Walk to School Week

This week, we would like to draw your attention to the section on our Online Safety Hub which contains everything parents need to know about YouTube. YouTube is the world's most popular video-streaming app. The app is for ages 13 and above.

To learn about YouTube features, the risks posed by accessing it and how to make it safe for your child, please visit:

<https://broadoak.onlinesafetyhub.uk/parent/deep-dives/youtube>

Well Done Year 6!

This week our Year Six children have completed the Key Stage Two SATs papers. We are very proud of all the hard work the children have done in the run up to the SATs and have been especially proud of the resilience and determination demonstrated this week to work extremely hard and try their best. They have been absolute Super Stars - well done Year 6!

Autism Show Manchester

We would like to share with parents details of The Autism Show. The Autism Show is the largest event in the country dedicated to the autism community. The event offers over 100 hours of talks, clinics and workshops, plus hundreds of specialist products and services. Please follow the link for further details: <https://manchester.autismshow.co.uk/>

Lunchtime Clubs

Next week, we are making a few adjustments to lunch time football clubs. The clubs will run as follows for the various year groups:

- Tuesday- Y4 girls' and boys' football
- Wednesday- Y6 boys' football
- Thursday- Y5 boys' football
- Friday-Y5/6 girls' football

Children who are already in their PE kit on the day of their lunchtime club do not need to bring in a separate kit. Where the club does not fall on a PE day the children need to bring their kit into school.

Please can we remind all children to bring their football boots, socks and shinpads into school. Thank you.

Dates for your Diary

18 th July (am)	KS1 Sports Day
18 th July (pm)	KS2 Sports Day

Birthday Class Treats

I would like to take this opportunity to remind parents that birthday treats are not permitted in school. We have children with allergies, children who, for religious reasons, cannot have certain types of sweets and so to ensure inclusivity and prevent any issues around allergies, they will no longer be distributed in school.

If you would like your child's birthday to be celebrated with their class friends in school, a book can be purchased which we would add to the class library and shared with the children during our daily Drop it and Read sessions.
